Na na na na na na na na na na na na na na I'm the only fucking child there ever was I'm the only fucking child Adulthood is hell Namby-pamby protracted childhood The only alternative Namby-pamby protracted childhood Earthworks of infantility The facts of life cleaned from passion-killing anotomical tomes You don't need pot to see Pan. You don't need pot to see Pan I'm a little girl I'm a little girl I'm a little girl I'm a little girl And I formed a dislike for killing things which could not fight back Childish and childlike My rocking horses at the head of the stairs My rocking hearses I am Providence I am Providence I am Providence I am Providence And Providence is me
