Promise

Darlene Zschech

Laid down mystery
Of life quite clear to me
The sparkling truth revealed
Soul satisfyingThis treasure of life to bring
It gives me this passion to sing
I need You, I run
Into Your armsAbove the world
Oh, I'll go to You
A light in the darkness
You're shining Your heart in meI promise, I promise
To eternity I live and die
To know You, to love You
For I found what I've been looking forWell, I sense You more all along
This need in me to belong
Your winds of grace complete me
Spread me awayBut Your love is peaceable, I know
Just look at me, does it show?
I long for the day
That I see You face to faceAbove the world
Oh, I'll go to You
A light in the darkness
You're shining Your heart in meI promise, I promise
To eternity I live and die
To know You, to love You
For I found what I've been looking forI promise, I promise, yeah, yeahDesire of all nations
We come
Strength of my life
You are shining Your heart in meI promise, I promise
To eternity I live and I'm dying
To know You, to love You
For I found what I've been looking forI promise, I promise
To eternity I live, I will die
To know You, to love You
For I found what I've been looking for
