

Promise

Darlene Zschech

Laid down mystery
Of life quite clear to me
The sparkling truth revealed
Soul satisfying This treasure of life to bring
It gives me this passion to sing
I need You, I run
Into Your arms Above the world
Oh, I'll go to You
A light in the darkness
You're shining Your heart in me I promise, I promise
To eternity I live and die
To know You, to love You
For I found what I've been looking for Well, I sense You more all along
This need in me to belong
Your winds of grace complete me
Spread me away But Your love is peaceable, I know
Just look at me, does it show?
I long for the day
That I see You face to face Above the world
Oh, I'll go to You
A light in the darkness
You're shining Your heart in me I promise, I promise
To eternity I live and die
To know You, to love You
For I found what I've been looking for I promise, I promise, yeah, yeah Desire of all nations
We come
Strength of my life
You are shining Your heart in me I promise, I promise
To eternity I live and I'm dying
To know You, to love You
For I found what I've been looking for I promise, I promise
To eternity I live, I will die
To know You, to love You
For I found what I've been looking for
