Promise

Darlene Zschech

Laid down mystery

Of life quite clear to me

The sparkling truth revealed

Soul satisfying This treasure of life to bring

It gives me this passion to sing

I need You, I run

Into Your armsAbove the world

Oh, I'll go to You

A light in the darkness

You're shining Your heart in meI promise, I promise

To eternity I live and die

To know You, to love You

For I found what I've been looking forWell, I sense You more all along

This need in me to belong

Your winds of grace complete me

Spread me awayBut Your love is peaceable, I know

Just look at me, does it show?

I long for the day

That I see You face to faceAbove the world

Oh, I'll go to You

A light in the darkness

You're shining Your heart in meI promise, I promise

To eternity I live and die

To know You, to love You

For I found what I've been looking for I promise, I promise, yeah, yeahDesire of all nations

We come

Strength of my life

You are shining Your heart in meI promise, I promise

To eternity I live and I'm dying

To know You, to love You

For I found what I've been looking for I promise, I promise

To eternity I live, I will die

To know You, to love You

For I found what I've been looking for
