

Above All Else

Gail Holmes

Above all else put on love
Above all else put on love
Above all else put on love
And live in harmony

Love is patient; love is kind
Love does not envy
It rejoices when truth prevails
Love never fails
Love my neighbor as myself
That is what my God commands me to do
And I will " I will obey

Above all else put on love
Above all else put on love
Above all else put on love
And live in harmony

Though I have the gift of prophecy
And all knowledge
Faith to remove mountains
And understanding
Give to the poor in need
And have not love I am nothing
Without Love"without God"TM's love

Above all else put on love
Above all else put on love
Above all else put on love
And live in harmony

God I need your love
Cause nothing else will do
Father give me your love
Make me just like you
