

# Skin Shed

## Argyle Park

Heavy in your hands  
Guess I should have known  
Manipulation for one of your ownNow its time for suffering  
To shed the skin to which you cling  
A relic of my everything  
Is all you've left to hold.I see no answer I should have know  
I see no answer aggression in store  
I see no answer one of your own  
I see no answer comes to a halftfalling - letting - crawling - shedding  
Leave me what I am  
A mere shell of a man  
... take ...  
I come at your command
