

# Tonight

## Sixpence None the Richer

Tonight it's time, choose a direction  
If you fail you can make a correction  
Slower now, make life faster  
Make your mind, up for once this time  
It's hard to know  
Where I'm supposed to go  
It's hard so hard to know  
To know where I'm supposed to go  
Tonight, tonight  
Tonight it's time, choose a direction  
If you fail you can make a correction  
Slower now, make life faster  
Make your mind up for once this time  
It's hard to know  
Where I'm supposed to go  
It's hard so hard to know  
To know where I'm supposed to go  
Tonight, tonight  
Tonight I'm gonna let it go  
And try to let it be  
Because I know you see  
That it's hard to know  
Where I'm supposed to go  
But there is a way  
And tomorrow is a brand new day  
Yes. it's hard so hard to know  
Where I'm supposed to go  
But there is a way  
And tomorrow is a brand new day  
Tonight, tonight, tonight
