

Rock 'n' Roll

Motorhead

Well, here, babe, look at you in love with someone else
Turned out like all the others leave me by myself
That's how it works I guess and you're like all the rest
Guess I can handle it if that's the way it isI'm in love with rock 'n' roll, it satisfies my soul
If that's how it ought to be, I won't get mad
Yeah, I got rock 'n' roll to save me from the gold
And if that's all there is, it ain't so bad, rock 'n' rollI never been the one to have no steady girl
I love the way I live of runnin' 'round the world
I like to fool around, I love to tear 'em down
And when I leave, you love to miss me when I'm goneI'm in love with rock 'n' roll, it satisfies my soul
If that's how it ought to be, I won't get mad
Yeah, I got rock 'n' roll to save me from the gold
And if that's all there is, it ain't so bad, rock 'n' rollI can't imagine growin' old like everyone
Marching to a different drum, I hear a different song
I swear I love 'em all, I don't care if they're small
I don't care if they're tall, I love 'em anywayI got rock 'n' roll, it satisfies my soul
If that's how it has to be, I won't get mad
I got rock 'n' roll to save me from the gold
And if that's all there is, it ain't so badYeah, I got rock 'n' roll, it satisfies my soul
And if that's how it is, it ain't so bad
I got rock 'n' roll to save me from the gold
And if that's all there is, it ain't so badYeah, I got rock 'n' roll, it satisfies my soul
And if that's how it ought to be, I won't get mad
I got rock 'n' roll to save me from the gold
And if that's all there is, it ain't so badRock 'n' roll
