

Cosmopolitan

Alphaville

I sleep between the gates of night, in a no man's land
Always closer than you think, a kind of your best friend
I have no religion and I have no flag
I don't care if you're wrong or right
Lilac skinned or black I'm a cosmopolitan
Closer than your next of kin
Angel, devil of the night
And the seed of everything And if your world has turned to ashes
I will leave you never
Even when the sun's blown out, I will shine forever
I caress you with my charms
I'm your best friend, the dream
I'm the light that guides you through the nights
And deepest haze I'm a cosmopolitan...
