NO LETTER TODAY

WRITER FRANKIE BROWN aka TED DAFFAN

'59 Peer International, BMI  
No letter today I've waited since dawn I've waited each day since you have been  
gone

No letter today all the days are so long oh why don't you write I know I was wrong  
Just give me one chance please won't you forgive I'll love you my dear as long as I live  
I know it's no use though I hope and I pray the postman goes by no letter today  
Just give me one chance please won't you forgive I'll love you my dear as long as I live  
I know it's no use though I hope and I pray the postman goes by no letter today
