Exalted Forever

Big Daddy Weave

It is good to praise You, Lord
To make music to Your holy name, Most High
Sing a song of Your love in the mornin'
And Your faithfulness, Your faithfulness at night
Your deeds have made me glad
I sing for joy at the work of Your hands
You turn my mournin' into dancin', God
And the foolish man just can't understand whyOh, I just want to sing Your praise
You're exalted forever
Oh, let all heaven and earth proclaim
You're exalted forever, God, yeah
It is good to praise You, Lord
To make music to Your holy name, Most High
Sing a song of Your love in the mornin'
And Your faithfulness, Your faithfulness at night
Your deeds have made me glad
I sing for joy at the work of Your hands
You turn my mournin' into dancin', God
And the foolish man just can't understand whyOh, I just want to sing Your praise
You're exalted forever
Oh, let all heaven and earth proclaim
You're exalted forever, God, yeah
Oh, I just want to sing Your praise
You're exalted forever
Oh, let all heaven and earth proclaim
You're exalted forever
Clothed in glory
In splendor You are arranged
Angels surround your throne
Crying "holy is Your name, holy is Your name"Oh, I just wanna sing Your praise
You're exalted forever
Oh, let all heaven and earth proclaim
You're exalted forever
Oh, I just wanna sing Your praise
You're exalted forever
Oh, let all heaven and earth proclaim
You're exalted forever
God, forever and ever, oh God
