

# I'll Keep On Loving You

## Willie Nelson & Family

If the world keeps on turning and I'm sure it's bound to do  
Then I'll keep on loving you  
And if the dawn comes tomorrow and we know that it is true  
Then I'll keep on loving you  
What the thing changes sky to fall the dawn wouldn't come the world wouldn't stall  
I wouldn't care as long as you're near it wouldn't matter to me at all  
And if the stars stay in heaven and the moon stays in the blue  
Then I'll keep on loving you (piano - guitar)  
If I ever should lose you then I know just what I'll do  
I'll just keep on loving you  
You are heaven to me dear you are every dream come true  
And I'll keep on loving you  
Life is so sweet when you are near I couldn't do without you my dear  
I love you so I want you to know I think of you wherever I go  
And I will always be faithful and I'm sure that you will too  
And I'll keep on loving you then I'll keep on loving you
