

# He Is

## Ghost B.C.

We're standing here by the abyss  
and the world is in flames  
Two star crossed lovers reaching out  
To the beast with many names  
He is  
He's the shining in the light without whom I cannot see  
And He is  
Insurrection. He is spite.  
He's the force that made me be.  
He is  
Nostro Dis Pater  
Nostra Mater  
He is  
Were' hiding here inside of thee  
and all our doubts are now destroyed  
The guidance of the morning star  
Will lead the way, into the void  
He is  
He's the shining in the light without whom I cannot see  
And He Is  
Insurrection, he is spite  
He's the force that made me be.  
He Is  
Nostro Dis Pater  
Nostra Mater  
He Is  
He is  
He's the shining in the light without whom I cannot see  
And He Is  
Insurrection, he is spite, he's the force that made me be.  
He is  
He's the shining in the light without whom I cannot see  
And He is  
The disobedience that holds us together  
He is  
Nostro Dis Pater  
Nostra Mater  
And we are falling over the precipice.
