

# Feelin' Good (feat. Leo Brixx)

## MAKUTA

Now I am feeling happy  
And I am feeling good  
Since I tasted that something  
That tasted like it should  
The look it gives is tempting  
The heat it brings is cool  
It quenches all who thirst  
So slide up to a stool

Gotta have a shotta mojo  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
It's a party vibe  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
It will satisfy

Like Brad Pitt in the movies  
Like Beckham on the field  
I walk into the room  
Like I'm the only deal

Gotta have a shotta mojo  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
It's a party vibe  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
It will satisfy

A couple drops feel oh so amazing, eight ball, Tinder, I don't need no chaser  
I'm just looking for good vibes  
No matter what your race is, let's have us a good time  
Turn up the music, let's throw our hands up  
Tonight we gonna shine, light it up like a lantern  
Loving this feeling, I don't know what's gotten into me  
Must have put some mojo in my drink, baby I got plenty energy

Gotta have a shotta mojo  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
It's a party vibe  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
Gotta have a shotta mojo  
It will satisfy
