

Early Mornin' (Jason Nevins Remix)

Britney Spears

Early mornin'
Alright I was out late last night
Got a little messy
Early mornin'
Can't be like that anymore
No I was shaking my ass in the streets all morning
Just walked in and it's early mornin'
Bump bump till the break of dawn
And it don't stop till the early mornin' Passed out on the couch and yawning
Just walked in and it's early morning
Bump bump till the break of dawn
And it don't stop till the early mornin' Met a tall dude, kinda dark hair
When he walked up somebody grabbed him
But I liked him
Told him to come here Kinda cool
Baby we can make plans
Where you live
Does your mama live there We can hook up at the hotel
He was down
So I told him, let's go
What happened next? Guess
But, you don't want to know I was shaking my ass in the streets this morning
Just walked in and it's early morning
Bump bump till the break of dawn
It don't stop till the early mornin' Passed out on the couch and yawning
Just walked in and it's early mornin'
Bump bump till the break of dawn
It don't stop till the early mornin' Oh, I went out and I approached him
But we couldn't get with his friends
There's something bout him, I'm sure
So I said what the hell let's go
Got up Got on the dance floor
Hooked up with a guy named Joe
When the music was fast and slow
What happened next? Guess
But, you don't want to know I was shaking my ass in the streets this morning
Just walked in and it's early mornin'
Bump bump, 'til the break of dawn
It don't stop till the early mornin' Passed out on the couch and yawning

Just walked in and it's early mornin'
Bump bump till the break of dawn
It don't stop till the early mornin'Call all your boys
Call all your girls
Call all your friends
Let's do it again
Let's do it againYes, Early mornin'
Yes, can't keep doing thisI light your fire
Your one desire
Pull on me baby and I'll take you higher
You should try it so come over here and let's go someI was shaking my ass in the streets this morning
Just walked in and it's early mornin'
Bump bump till the break of dawn
It don't stop till the early mornin'Passed out on the couch and yawning
Just walked in and it's early mornin'
Bump bump till the break of dawn
It don't stop till the early mornin'Call all your boys
Call all your girls
Call all your friends
Let's do it again
Let's do itEarly mornin'
Early mornin'
