

# Angel Eyes

[John Hiatt](#)

Girl, you're looking fine tonight  
And every fella's got you in his sight  
What you're doing with a clown like me  
Is surely one of life's little mysteries  
So tonight I'll ask the stars above  
How did I ever win your love?  
What did I do, what did I say  
To turn your angel eyes my way?  
I'm the guy that never learned to dance  
I never even got one second glance  
Across the crowded room that was close enough  
And I could look but I could never touch  
So tonight I'll ask the stars above  
How did I ever win your love?  
What did I do, what did I say  
To turn your angel eyes my way?  
Don't anybody wake me if this is a dream  
'Cause she is the best thing that's ever happened to me  
All you fellas, you can look all you like  
But this girl you see, she's leaving here with me tonight  
And there's just one more thing I need to know  
If this is love, baby, why does it scare me so?  
Must be something only you can see  
But girl, I feel it when you look at me  
So tonight I'll ask the stars above  
How did I ever win your love?  
What did I do, what did I say  
To turn your angel eyes my way?  
What did I do, what did I say?  
To turn your angel eyes my way
