

# Promiscuous ft. Timbaland

## Nelly Furtado

Am I throwing you off?

Nope

Didnt think so

How you doin young lady

That feelin that you givin really drivin' me crazy

You dont have ta play about the joke

I was at a loss of words first time that we spoke

If you looking for a girl thatll treat you right

If you lookin for her in the day time with the light

You might be the type if I play my cards right

I'll find out by the end of the night

You expect me to just let you hit it

But will you still respect me if you get it

All I can do is try, gimme one chance

Whats the problem I dont see no ring on your hand

I be the first to admit it

Im curious about you, you seem so innocent

You wanna get in my world, get lost in it

Boy Im tired of running, let's walk for a minute

Promiscuous girl, wherever you are

Im all alone and it's you that I want

Promiscuous boy, you already know

That Im all yours, what you waiting for?

Promiscuous girl, you're teasing me

You know what I want and I got what you need

Promiscuous boy, let's get to the point

'Cause we're on a roll, are you ready?

Roses are red, some diamonds are blue

Chivalry is dead but you're still kinda cute

Hey, I can't keep my mind off you

Where you at, do you mind if I come through

Im out of this world come with me to my planet

Get you on my level do you think that you can handle it?

They call me Thomas, last name Crown

Recognize game I'm a lay mine's down

I'm a big girl I can handle myself

But if I get lonely Ima need your help

Pay attention to me I don't talk for my health

I want you on my team, so does everybody else

Baby, we can keep it on the low

Let your guard down aint nobody gotta know

If you with it girl I know a place we can go

What kind of girl do you take me for?

Promiscuous girl, wherever you are

Im all alone and it's you that I want

Promiscuous boy, you already know

That Im all yours, what you waiting for?

Promiscuous girl, you're teasing me

You know what I want and I got what you need

Promiscuous boy, let's get to the point

'Cause we're on a roll, are you ready?

Don't be mad, don't get mean

Don't get mad, don't be mean

Hey, Don't be mad, don't get mean

Don't get mad, don't be mean

Wait, I don't mean no harm

I can see you with my T-shirt on

I can see you with nothing on

Feeling on me before you bring that on

Bring that on, you know what I mean

Girl, Im a freak you shouldn't say those things

Im only trying to get inside your brain

To see if you can work me the way you say

It's okay, it's alright

I got something that you gon' like

Hey, is that the truth or are you talking trash

Is your game M.V.P. like Steve Nash

Promiscuous girl, wherever you are

Im all alone and it's you that I want

Promiscuous boy, I'm calling your name  
But you're driving me crazy the way you're making me wait

Promiscuous girl, you're teasing me  
You know what I want and I got what you need  
Promiscuous boy, we're one in the same  
So we don't gotta play games no more
