Tides Collide

Newhaven

I have sailed across the suns
In hopes to find someone
To come and take me home.
(COME AND TAKE ME HOME)

I've been searching for some answers
Though our time is almost out
And if you leave I'm all alone.
(I'M ALL ALONE)

What if I said that you were wrong?
What if I said that all along
It was you who made the tides collide
Gave up hope and put your faith inside
WHAT IF I SAID I WAS TIRED OF YOUR SHIT?
WALK OUT THE DOOR AND BE DONE WITH IT
What if I said I love you too
Turn off the lights and keep my back towards you.

I WAS LOST FOR SO LONG
YOU TOOK ME UNDER
WITH YOU I BELONG
AND NOW I WONDER
IS THIS THING CALLED LOVE JUST A GAME FOR TWO
WHILE I PAY THE COST OF BEING LOST WITH YOU

I'M NOT YOUR CANVAS
YOU CAN'T PAINT MY LIFE
I'LL NEVER BE WHAT YOU WANT
BUT I'M STUCK BY YOUR SIDE
SO STAY WITH ME ANOTHER NIGHT
WE'LL PAY THE COST AND MAKE THINGS RIGHT

What if I said that you were wrong?
What if I said that all along
It was you who made the tides collide
Gave up hope and put your faith inside
WHAT IF I SAID I WAS TIRED OF YOUR SHIT?
WALK OUT THE DOOR AND BE DONE WITH IT
What if I said I love you too

Turn off the lights and keep my back towards you.

(I NEVER WANTED THIS
THIS IS UNACCEPTABLE)

My darling forgive me
As I kneel before your throne
My angel
My princess
My one and only home
Without you
I'm nothing
So sound the alarms
'Cause I'd rather be nothing
Than lost inside your arms

SO SAY YOUR PRAYERS!
YEAH!

What if I said that you were wrong?
What if I said that all along
It was you who made the tides collide
Gave up hope and put your faith inside
What if I said I was tired of this
Walk out the door and be done with it
What if I said I love you too
Turn off the lights and keep my back towards...
YOU
