Mercury Dime

Death Vessel

Struck too high, my belt bleeds
From the mountain to the dye
From the dye to the deepElsy mallow, where are you?
Show your brothers on the floor
Of the wavy blueThere I go, looking alway
Looky loo
When I wake
In a fountain over you
13 ways of looking mercurialy blue
When I gaze
At a mountain out of view
Going blind, going through you
I go walking in he wild
I go walking in a room
Purpled mind, hold on in you
Of a fortune ever more
In the wavy blueThere I go, looking away
Looky loo
When I wake
In a fountain over you
13 ways of looking murcurialy blue
When I gaze
At a mountain out if view
There I go, looking away
Looky loo
When I wake
In a fountain over you
13 ways of looking murcurialy blue
When I gaze
At a mountain out of viewThere I go, looking away
Looky loo
When I wake
In a fountain over you
13 ways of looking murcurialy blue
When I gaze
At a mountain out of view
