

# Meet the Creeper (Pink Pussy)

[Rob Zombie](#)

Creature Core you can't ignore  
I got a 5000 fingers of dead yeah  
A Rats are we you can't break free  
You're with the living on your bed yeah! Meet the Creeper take it deeper!  
Meet the Creeper yeah! yeah!  
Ah I see the dead in you eyes!  
Ah I transform in the skies Stabbing out the city's crowd  
Like a dagger falling on your baby  
Thrill the kill you know you will  
Feed the monster and the lady Meet the Creeper, take it deeper  
Meet the Creeper, yeah! yeah!  
Ah I see the dead in your eyes  
Ah I transform in the skies Creature core you can't ignore  
I got a 5000 fingers of dead yeah  
A rats are we you can't break free  
With the living on your dead yeah! Meet the Creeper, take it deeper!  
Meet the Creeper, yeah! yeah!  
Ah I see the dead in you eyes  
Ah I transform in the skies Meet the Creeper! Ah  
Meet the Creeper! Ah  
Meet the Creeper! Ah  
Meet the Creeper
