

# Time Bomb (Live At Wrigley Field)

## Dave Matthews Band

I'm a ticking time bomb  
Waiting to blow my top  
No one would ever know  
Not til I grew up No one would believe it  
He was such a normal guy  
Shake their heads and wonder why Martians fell from the sky  
What would that do to god?  
Would we put the weapons down  
Or aim it up at the sky No one would believe it  
Except the fucking nut jobs  
They laugh and cry we told you so Baby when I get home  
I want to believe in Jesus  
Hammer in the final nail  
Help me pick up the pieces When everything starts to fall  
So fast that it terrifies you  
When will you hit the wall?  
Are you gonna learn to fly? No one would believe it  
Except for all the people  
Watching as you fly away Baby when I get home  
I want to pick up the pieces  
Hammer in the final nail  
And lean me up against Jesus Baby when I get home  
I want to pick up the pieces  
Hammer in the final nail  
I want to believe in Jesus
