

# Easily

## Red Hot Chili Peppers

Easily, lets get carried away  
Easily, lets get married today  
Shaolin shouted a rose from his throat, everything must go  
A lickin stick is thicker when you break it to show, everything must goThe story of a woman on the morning of  
a war  
Remind me if you will exactly what were fighting forCalling, calling for something in the air  
Calling, calling I know you must be thereEasily, let's get caught in a wave  
Easily, we won't get caught in a cage  
Shaolin shakin' for the sake of his soul, everything must go  
Lookin' mighty tired of all the things that you own, everything must goI cant tell you who to idolize  
You think its almost over but its only on the riseCalling, calling for something in the air  
Calling, calling I know you must be thereThe story of a woman on the morning of a war  
Remind me if you will exactly what were fighting for  
Throw me to the wolves because there's order in the pack  
Throw me to the sky because I know I'm coming backShaolin shakin' for the sake of his soul, everything must  
go  
Lookin' mighty tired of all the things that you own, everything must goThe story of a woman on the morning of  
a war  
Remind me if you will exactly what were fighting forCalling, calling for something in the air  
Calling, calling I know you must be thereI don't want to be your little research monkey boy  
The creature that I am is only going to destroy  
Throw me to the wolves because there's order in the pack  
Throw me to the sky because I know I'm coming back
