

# Mama Mia

Kevin Lyttle

Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
YeahShe's got the touch I love so much  
That's all I ever wanted, I'm so God blessed  
Under her spell she had me crushed  
I sworn I was anointed  
Got caught by her magicShe had me droolin' for a while  
With her sexual motion  
Like takin' candy from a child  
Suck on her love potion  
I can't believe the changes i've made  
Since I've met my baby, you knowShe drives me crazy, on and on  
What a beautiful lady, on and on  
She drives me crazy, on and on  
And there's no ifs no maybes  
She goes, on and on, ooh, yeahLike a volcano she erupt  
Blowin' up my pager  
Every minute every hour  
Woo, oh, woo  
I realize she likes my stuff  
I chose erotic flavors  
This moment I will savorLord, I never trust that pretty smile  
'Cuz looks are deceivin'  
Sexy walk mighty profound  
So pretty girls are misleadin'  
Lesson learned don't judge a book  
By lookin' at its cover, you knowShe drives me crazy, on and on  
What a beautiful lady, on and on  
She drives me crazy, on and on  
And there's no ifs no maybes  
She goes, on and onShe drives me crazy, on and on  
What a beautiful lady, on and on  
She drives me crazy, on and on  
And there's no ifs no maybes, on and on, ohMy life my time and my all  
I've dedicated to her  
That's the life she wanted  
Woo, yeah, I'm saying this I never start  
'Cuz she is my dream maker  
And now we're gonna flaunt itThank God I'm stuck with her for life

She's having my shorty  
The perfect girl for my wife  
Just my baby's mommy  
Girls flaunt their best desires  
But there was always something missing, oohShe drives me crazy, on and on  
What a beautiful lady  
She goes, on and on  
She drives me crazy, on and on  
And there's no ifs no maybes, on and onShe drives me crazy, on and on  
What a beautiful lady, on and on  
She drives me crazy, on and on  
And there's no ifs no maybes, on and on
