Treasure Island (Prod by D.R.U.G.Z.)

Iggy Azalea

Cutest hoes is my southern folk
Looks so good and I'm flying here
Soaring high like a eagle, ho
Baddest bitch in my hemisphere
DRUGS the camp and I'll let you know
Saved every song so you can hear
I'm the leader of my circle, I'm the head of my peers, I'm the leader of the ladies lets get this clear
That's how we rock
10 million sold when I drop
10 million flows, "Ig," she hot
10 million hoes in my drop
10 million pounds watch my clock
10 million years at the top
My time will start today, Nicki paved the way
Kim, Foxy, Eve, now I can't stop UH
Get your Styrofoam cups raise em high
Let em know its Team Iggy, bitch, till you die
Get your tats, get your shirts let the world see who running this let em know you belong to me
La-la-lock ups make em lean I got Vegas on my chain
You-you can't mess with my team I got Vegas on my chain
I-I-I-I live the dream I got Vegas on my chain
Ro-ro-ro-rock with the queen I got Vegas on my chain
La-la-lock ups make em lean I got Vegas on my chain
You-you can't mess with my team I got Vegas on my chain
