Checkin' Up On My Baby

Taj Mahal

[Junior Wells]Checkin' on my baby, see what she puttin' down
So many days and nights I been out of town
I wouldn't call home, and I wouldn't even write
I bought me a plane and flew back the same night
Checkin' on my baby, find out what she puttin' down
Checkin' up on my baby, find out what she puttin' down
So many nights and days I been out of town
