

Jamaica inn (Live in Mesa, 25-Jul-2014)

Tori Amos

Can you patch my jeans Peggy Ann
Just a little stitch to mend the hole he has torn if you can
Maybe I got too set in my ways
He says she reminds him of me when we first met in those early days
The sexiest thing is trust
I wake up to find the pirates have come
Tying up along your coast
How was I to know the pirates have come
Between Rebecca's
Beneath your firmaments
I have worshipped
In the Jamaica Inn
In the Jamaica Inn
With the gales my little boat was tossed
How was I to know that you'd sent her with a lantern to bring me in
"Are you positive this is a friend?"
The captain grimaced, "Those are cliffs of rock ahead if I'm not mistaken"
The sexiest thing is trust
I wake up to find the pirates have come
Tying up along your coast
How was I to know the pirates have come
Between Rebecca's
Beneath your firmaments
I have worshipped
The sexiest thing is trust
I wake up to find the pirates have come
Tying up along your coast
How was I to know the pirates have come
Between Rebecca's
Beneath your firmaments
I have worshipped
In the Jamaica Inn
In the Jamaica Inn
In the Jamaica Inn
In the Jamaica Inn
