

Vodevil

Star Mark Greatest Hits CD2

I wake up everyday
The wrong side of the bed
I won't lay down on the floor
Like I'm the whore in your head
Call me a failure
Pretender, sex-offender, infector
Say I killed all my friends
And I deserve to be dead
Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil
Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil
This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
I won't pull out I just came
I want all of the blame
Your love is tin, faith is thin
No concept of pain, right to complain
All you fagazines, senile teens
Jaw me, black ball me
D.J. yourself away
Turn your back it will be easier to stab
Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil
Kiss baby kiss
Bang baby bang
Suck baby suck
It's vodevil
This isn't music and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

V.I.P. A D D T R D

Violent shiny hate crime, total requested dead

It's version pointless, downloadable suicide

The only ones left standing

Are the ones not demanding

This isn't a show, this is my fucking life

I'm not ashamed, you're entertained

But I'm not a puppet

I am a grenade

I'm not ashamed, you're entertained

But I'm not a puppet

I am a grenade

Kiss baby kiss

Bang baby bang

Suck baby suck

It's vodevil

Kiss baby kiss

Bang baby bang

Suck baby suck

It's vodevil

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand
