Schizophrenia in Reverse

Rave The Reqviem

My body's aching
My heart is aching
My soul is aching
But my head is numb

And it's truly fortunate
That every fall is so fucking hard
It's like shooting up smack
Wiped out like a retard

But what's another humiliation when all hope is dead
It's better to smile with dead eyes
And sing-along instead

FEAR NO MORE
THE DEATH THEY'RE BRINGING
HEAR NO MORE
THEIR VOICES SINGING

END THIS LIFE
AND LIFT THIS CURSE
SCHIZOPHRENIA IN REVERSE

THEY'RE WATCHING EVERY STEP I TAKE
EVERY MOVE I MAKE
EVERY MISTAKE

MY DELUSION IS CENSORED
THE TRUTH IS SO MUCH WORSE
SCHIZOPHRENIA IN REVERSE

It's a public humiliation
A one-liner
A punchline
For the crowd to laugh hysterically as I go down

Now I am lost in the abyss of my mind

Re-living nightmares stuck on repeat
Crucified upside down
