When I Need You (Remastered LP Version)

Leo Sayer

When I need you
I just close my eyes and I'm with you
And all that I so wanna give you
It's only a heartbeat awayWhen I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and dayMiles and miles of empty space in between us
A telephone can't take the place of your smile
But you know I won't be travellin' forever
It's cold out, but hold out and do like I doWhen I need you
I just close my eyes and I'm with you
And all that I so wanna give you, babe
It's only a heartbeat awayIt's not easy when the road is your driver
Honey, that's a heavy load that we bear
But you know I won't be travellin' a lifetime
It's cold out, but hold out and do like I doOh I need youWhen I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and dayWhen I need you
I just close my eyes
And you're right here by my side
Keepin' me warm night and dayI just hold out my hands
I just hold out my hands
And I'm with you darlin'
Yes, I'm with you darlin'All I wanna give you
It's only a heartbeat away
Oh, I need you darlin'
Oh, I want you darlin'
