Let's Get Tired

Someone Still Loves You Boris Yeltsin

We don't feel like working on a single thing all day long.
We just feel like sleeping in and eating in and staying home.

Couldn't get worked up about anything,
We could plan things out but we'll be tired of each other so soon.

We got bored so we'd do drugs and waited for things now
Sometimes it feels nice to give up
Break her up, break up her now

Couldn't get worked up about anything,
We could plan things out but we'll get tired of each other so soon.

Sometimes it feels nice to give up,
Give you up, give up you now.
