This Is the News

Mike Krol

Breaking my back
I know that I am on my way
Anxiety attack
I know that it is here to stay
But listenI want to be with you
I know that our love is true
Oh baby this is the newsQuitting my job
Sick of wasting all my days
Alone in my room
Can't I just dream life away
But listen
I want to be with you
I know that our love is true
Oh baby this is the news (yeah)A little bit louder now
A little bit louder now
A little bit louder now
A little bit louder nowA little bit louder now
A little bit louder now
A little bit louder now
A little bit louder now
I want to be with you
I know that our love is true
Alright
I want to be with you
I know that our love is true
Oh baby this is the news
