

# Glad That I Lost You

## The F-Ups

You wonder why I never think you understand  
Because it seems like you're not listening  
I laugh aloud, then suddenly I disappear in to another place  
I'm glad that I lost youGlad that I lost youYou push me down, but I get right back up off the ground  
You'd think you would get it right  
I'm glad that I lost youI'll tape my mouth shut  
Or I'll close my mouth and bite my tongue  
I bet you wish I could  
I'm glad that I lost you
