

Brother(Ft. Ann Wilson)

Alice in Chains

Frozen in the place I hide
Not afraid to paint my sky with
Some who say I've lost my mind
Brother try and hope to find
You were always so far away
I know that pain so don't you run away
Like you used to do
Roses in a vase of white
Bloodied by the thorns beside the leaves
That fall because my hand is pulling them hard as I can
You were always so far away
I know that pain and I won't run away
Like I used to do
Pictures in a box at home
Yellowing and green with mold
So I can barely see your face
Wonder how that color taste
You were always so far away
I know the way so don't you run away
Like you used to do
Like you used to do
