I WIll Be There (2012 - Remaster)

Glass Tiger

A fight for king or country
Can liven any heart
To sleep beneath the open skies
A love affair can start
Echoes in the valley
As embers cross "red skies"
I'm calling from the mountain
Echoes of no reply[Chorus:]
I will be there
Oh! When you call my name
I will be there
Oh! If you call my name...
I will be thereListen to the silence
As shadows dance with me
A ticking clock of endless time
Clouds my memory
I'm calling from the mountains
Echoes of no reply.[Chorus]
