Stay in the Country

The Marshall Tucker Band

I remember long ago when I was just a boy
Raised in the country that have old country stores
Chasing shadows down the road I remember well
Every story that my mama told in a house near the wellSo I'll stay in the country, that's where I was born
Live my life by in Carolina, that's where I belongI remember Sunday evening sitting outside
With all my uncles and my daddy by my side
We played those old songs too, we brought the night in
At the house in the country air I remember thenSo I'll stay in the country, that's where I was born
Live my life by in Carolina, that's where I belongSo I'll stay in the country, that's where I was born
Live my life by in Carolina, that's where I belongSo I'll stay in the country, that's where I was born
Live my life by in Carolina, that's where I belongStay in the country
