Right Girl

Daniel Bedingfield

I?m gonna do it right girl, I?m gonna hold you tight girl
Till then, I gonna wait, anticipate that day
I?m waiting for the right time, when you?ll be mine
You say that you love me, I?m still gonna say
Girl, you are the reason I wait and when comes the season
I know I?m gonna give you the best girl
You tug on the strings of my heart, sometimes I could break them apart
But, if you wait till later, it?ll be better
I?m gonna honor your body anyway I can, now, baby
?Cause we belong to somebody and that someone is God
When we do, we?ll have wed each other
Forsaken all others, just you and I, one another
I?m gonna do it right girl, I?m gonna hold you tight girl
Till then, I gonna wait, anticipate that day
I?m waiting for the right time, when you?ll be mine
You say that you love me, I?m still gonna say
Say that you love me, I?m still gonna say, I gonna do it right
Daniel Bedingfield, Jahaziel, more than just enough
We got lots of trust, too much to lose
Confusing love with lust, no rush to touch
We can make it right, make it a night to treasure
All the days of your life, I?ll take you to heights
Hotter than Arabian Nights, but first girl
I?m a make you my wife, staying for life
?Cause it ain?t right if I?m only in it, trying to take love
We gotta give if we ever gonna make love
I?m gonna honor your body anyway I can, now, baby
?Cause we belong to somebody and that someone is God
When we do, we?ll have wed each other
Forsaken all others, just you and I, one another
I?m gonna do it right girl, I?m gonna hold you tight girl
Till then, I gonna wait, anticipate that day
I?m waiting for the right time, when you?ll be mine
You say that you love me
