

# Right Girl

**Daniel Bedingfield**

I?m gonna do it right girl, I?m gonna hold you tight girl  
Till then, I gonna wait, anticipate that day  
I?m waiting for the right time, when you?ll be mine  
You say that you love me, I?m still gonna say  
Girl, you are the reason I wait and when comes the season  
I know I?m gonna give you the best girl  
You tug on the strings of my heart, sometimes I could break them apart  
But, if you wait till later, it?ll be better  
I?m gonna honor your body anyway I can, now, baby  
?Cause we belong to somebody and that someone is God  
When we do, we?ll have wed each other  
Forsaken all others, just you and I, one another  
I?m gonna do it right girl, I?m gonna hold you tight girl  
Till then, I gonna wait, anticipate that day  
I?m waiting for the right time, when you?ll be mine  
You say that you love me, I?m still gonna say  
Say that you love me, I?m still gonna say, I gonna do it right  
Daniel Bedingfield, Jahaziel, more than just enough  
We got lots of trust, too much to lose  
Confusing love with lust, no rush to touch  
We can make it right, make it a night to treasure  
All the days of your life, I?ll take you to heights  
Hotter than Arabian Nights, but first girl  
I?m a make you my wife, staying for life  
?Cause it ain?t right if I?m only in it, trying to take love  
We gotta give if we ever gonna make love  
I?m gonna honor your body anyway I can, now, baby  
?Cause we belong to somebody and that someone is God  
When we do, we?ll have wed each other  
Forsaken all others, just you and I, one another  
I?m gonna do it right girl, I?m gonna hold you tight girl  
Till then, I gonna wait, anticipate that day  
I?m waiting for the right time, when you?ll be mine  
You say that you love me
