Jay Jay's Song

Mxpx

I am myself and no one else
I'll always be because my eyes see
So much negativity pressuring me every day
They judge me as something I'm not
Something I'm not in this world today
Fears and doubts run through my mind
I've gone through this a million times
I read His Word, look to His face
But I could never earn His grace
It's not right to sit at home

We're the church of today
Not the church of tomorrow
So much negativity pressuring me every day
Thy judge me, as something I'm not
Something I'm not in this world today
Fears and doubts run through my mind
I've gone through this a million times
I read His Word, look to His face
But I could never earn His grace, yeah
