Cheater Cheater

Joey + Rory

Cheater cheater where'd you meet her down at ernies bar?
Did she smile your way twirl her hair and say, how cute your dimples are?
Did she use that line 'your place or mine' while you danced with her real slow?
Tell me cheater cheater where'd you meet that no good white trash hoeLiar liar did you buy her whiskey all night long
Did you hide your ring in the pocket of your jeans or did you just keep it on
When the deed was done an you had your fun did you think I wouldn't know?
Tell me cheater cheater where'd you meet that no good white trash hoeNow I'm not one to judge someone that I ain't never met
But to lay your hand on a married man's bout as low as a gal can get
Hey I wish her well and she rots in hell and you can tell her I said so
Cheater cheater where'd you meet that no good white trash hoeLoser loser hope you love her cause your stuck with her now
Take your sorry butt load up all your stuff and get the hell out of my house
But I just wish you'd tell me this one thing before you go
Cheater cheater where'd you meet that no good white trash hoeNow I'm not one to judge someone that I ain't never met
But to lay your hand on a married man's bout as low as a gal can get
Hey I wish her well and she rots in hell and you can tell her I said so
Cheater cheater where'd you meet that no good white trash hoeYa I just wish you'd tell me this one thing before you go
Cheater cheater where'd you meet that lowdown, uptown,
Slept with every guy around, pressed on eyelash no good white trash hoe
