It Dawns On Me

Edwyn Collins

Let me find out who l am
Let me live and let me dream
Near the shoreline, near the sea
Coast to coast, that's where I'll beA simple life, a simple choice
That dawns on me, reality
A simple life, a simple choice
That makes the world
A better place for us to shareLet me find out who l am
Let me live, oh, just let me be
Oh, I wanna steer this love
And crash into the bitter end
Just let me get away with it
Oh, more or less it's all worked outA simple life, a simple choice
That dawns on me, reality
A simple life, a simple choice
That makes the world
A better place for us to shareOh, a simple life, a simple choice
That dawns on me, reality
A simple life, a simple choice
That makes the world
A better place for us to share
