

I Would

Justin Bieber

If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day
Baby I would, baby I would, I would Paint a doorway to the sky and hand you the keys yeah
Let you know that you're always welcomed so that you never leave ohh
Buy you all those fancy things that you only see on TV, yeah
Run away, to our hideaway, we be living the American dream
And I, know it's never gonna be that easy
But I know that it won't hurt us to try oh If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day
Baby I would, baby I would, I would Woh-ooh ho-oh, woh-ooh ho-oh, woh-ooh ho-oh
Baby I would To the love forever wide, so that it never runs dry yeah
Anytime you ask me why I'm smiling, say that I'm satisfied
You got your flaws and so do I, past lovers that made you cry
And though I wanna make it right
I just can't read your mind oh And I, know it's never gonna be that easy
But I know that it won't hurt us to try oh If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day
Baby I would, baby I would, I would Woh-ooh ho-oh, woh-ooh ho-oh, woh-ooh ho-oh
Baby I would Yeah it's not about what I want
It's all about what you need
I know that he hurt you, but that wasn't me
And I know, and I know sometimes it's hard to see
That all we need to be If I could take away the pain and put a smile on your face
Baby I would, baby I would
If I could make a better way, so you could see a better day oh
Baby I would, baby I would, I would Woh-ooh ho-oh, woh-ooh ho-oh, woh-ooh ho-oh
Baby I would
