

# Real Love (ft. Jess Glynne)

## Clean Bandit

Oh, you've got the feeling that I wanna feel  
Oh, you've got the feeling that I know is real, real, real It's in the way you look, it's in the way you love  
And I can see that this is real  
It's in the way you talk, it's in the way you touch  
And I can see This is real, real, real, real love  
This is real, real, real, real love  
You give me that feeling, you give me that feeling  
You give me that, you give me real love  
You give me that feeling, you give me that feeling  
You give me that, you give me real love Oh, before you I was searching for a rarity  
Oh, you showed me things I never thought that I would see It's in the way you look, it's in the way you love  
And I can see that this is real  
It's in the way you talk, it's in the way you touch  
And I can see This is real, real, real, real love  
This is real, real, real, real love  
You give me that feeling, you give me that feeling  
You give me that, you give me real love  
You give me that feeling, you give me that feeling  
You give me that, you give me real love Time won't waste, and we just learn  
To take it slow and wait our turn  
Held my breath, 'cause I believe  
That you'll find mereal, real, real, real love  
This is real, real, real, real love  
You give me that love, real love  
You give me that love, real love  
You give me that love, real love  
You give me that love This is real, real, real, real love  
This is real, real, real, real love  
This is real, real, real, real love (you give me that feeling, you give me that feeling)  
You give me that, you give me real love  
This is real, real, real, real love (you give me that feeling, you give me that feeling)  
You give me that yeah, yeah, yeah  
You give me that love, real love  
You give me that love, real love  
You give me that love, real love  
You give me that love  
You give me that love, real love  
You give me that love, real love  
You give me that love, real love

You give me that love, real love
