

# All I do

## Somethin' for The People

Ah, yo, roll the track, uh, yeah  
Kick, stick, ah, stare, vocals, ah, yeah It doesn't matter, what time of the day  
Ask me what I'm thinkin' about and it's you that I'm gonna say  
Twenty-four seven, fifty-two, three sixty-five  
Just wanted you to know how you stay on my mind, yeah All I do is think of you, honey, you stay on my mind  
(Everyday, every night, yeah)  
All I do is speak of you, honey, you stay on my mind  
(I can't keep it to myself, no)  
All I do is dream of you, honey, you stay on my mind  
(Dreams of you every night, yeah)  
All I do is think of you, baby, all the time  
(All the time, all the time) You've got somethin' special, worthy of my love  
And I don't wanna let go, just keep on holdin' on  
Oh, you got me goin', thoughts of me and you  
And I can't help but talk about all the sexy things you do All I do is think of you, honey, you stay on my mind  
(Hey, all the time, oh)  
All I do is speak of you, honey, you stay on my mind  
(You stay on my mind, oh, baby)  
All I do is dream of you, honey, you stay on my mind  
(Dreams of you and I makin' love again, baby, yeah)  
All I do is think of you, baby, all the time  
(All the time and it don't stop) (And it won't stop)  
The kissin' and the lovin'  
The things you do to me, you keep me satisfied  
(And it don't stop)  
Let me give you my lovin'  
Let me show you how much that I think about you every night All I do is think of you, honey, you stay on my  
mind  
(Hey)  
All I do is speak of you, honey, you stay on my mind  
(Oh, my mind, on my mind)  
All I do is dream of you, honey, you stay on my mind  
(Dreams of you and I, yeah)  
All I do is think of you, baby, all the time  
(All the time, all the time) Now, now, now  
I gotta admit but you got me trippin' a bit last week  
I caught you 6 times in one day  
I was like damn, baby, got me open a lil' some, some  
But that's how good, 'cause you got a waist like a wasp

But a ass like a hossFeels so good, got a nigga calling you boss now  
To the end to the floor of my bed, that's right  
Shit is tight like a man sittin' on dubs  
That's what it was and that's what it's gonna beYou know that I'm your freak  
Call me up any time of the week  
Before so I could come over there  
And put it down like a nigga supposed to  
Yeah, yeah, that's what I'm talkin' boutAll I do is think of you, honey, you stay on my mind  
(All I do is think of you twenty-four seven)  
All I do is speak of you, honey, you stay on my mind  
(Fifty-two, three sixty-five)  
All I do is dream of you, honey, you stay on my mind  
All I do is think of you, baby, all the time  
(All I do is think of you everyday now)All I do is think of you, honey, you stay on my mind  
All I do is speak of you, honey, you stay on my mind  
All I do is dream of you, honey, you stay on my mind  
All I do is think of you, baby, all the timeAll I do is think of you, honey, you stay on my mind  
All I do is speak of you, honey, you stay on my mind  
All I do is dream of you, honey, you stay on my mind  
All I do is think of you, baby, all the timeAll I do is think of you, honey, you stay on my mind
