All That You Give

Kaskade

Used to be I couldn't slow down Freedom was running And what I sung So I'd run To try to catch up As fast as I could I wouldn't give up Did anything To get to that spring And drink the sound It's voice would sing Whoa, ho, ho, ho Then one day I turned around To see what I gained Nothing found So I chose To slow myself down Losing a dream They call the sound And that's when it came Loud as a rain Failing my life It's voice did sing Whoa, ho, ho, ho Whoa, ho, ho, ho

Whoa, ho, ho, ho

Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho Whoa, ho, ho, ho (All that you give) Whoa, ho, ho, ho (Along the way) Whoa, ho, ho, ho (Oh, then you went) Whoa, ho, ho, ho (Away) All that you gave Along the way
