Big Banana (feat. R3hab)

Havana Brown

DJ Havana Brown, you crazy?
Havana I heard you had a question though
Talk to 'emLet's go, thicker than a Magnum, ace of spades
Strobe light, we can play charades
My pants keep grenades
Bananas, clips, shoot for days let's go (Gi-gi-gi-give me)
Let's go (Gi-gi-gi-give me)
Let's go (Gi-gi-gi-give me)
What? That big fatI'm goin' out tonight
Got it locked down, I don't want to fight
I'm a hot girl, I have a right
Have a right, have a right
Kill or die hard I'm a call you bruised
Feel dropped out and I'm a call you Cruise
Beat it up up up, pop the juice
Pop the juice, pop the juiceBig ba-na-nana ooh na-na-nana

Underneath the belt and the Polo
Thicker than a trunk on a Volvo
Audemar black with the rose goldLet's go go, she don't know
Underneath the belt and the Polo
Thicker than a trunk on a Volvo
Audemar black with the rose gold
