

Hey, Hey, Hey

Elvis Presley

All line up girls, I'll show you what to do
This boat will sparkle like a diamond when we get through
By the numbers there ain't much time
We're gonna start an assembly lineHey, hey, hey, hey
Hey, hey, hey, heyYou get the sandpaper, you get the pails
You get the hammer baby, you get the nails
You get the paint, you get the brush
'Cause we're gonna give it the special touchHey, hey, hey, hey
Hey, hey, hey, heyWe got a magic potion that will help us win
I don't know how to spell it but dip right in
Blako-oxy-tonic phosphate, it's the latest scoop
But that's all right girls, you can call it goopHey, hey, hey, hey
Hey, hey, hey, heyWork the sandpaper, hammer that nail
Tote that paintbrush and lift that pail
Get a rhythm going, nice and easy
Come on and use a little elbow greasyHey, hey, hey, hey
Hey, hey, hey, heyOkay girls, were all through
I'm gonna tell you what were gonna do
We'll fall right down and have some fun
And I'm gonna kiss you all one by oneHey, hey, hey, hey
Hey, hey, hey, hey
Huh, huh, huhHey, hey, hey, hey
Hey, hey, hey, hey
Huh, huh, huhHey, hey, hey, hey
Hey, hey, hey, hey
