

Take That Knife Out of My Back

Filter

Take that knife out of my back
Take that knife out of my back Ruins leaped and free me on now
Fire keeps running in my life
That painful scene the family ruined
Is the last thing staying in my mind [Chorus]
Turn all of my people
So deep down under my mind
Deep down under my mind
Turn all of my people
So deep down under my mind
Deep down under my mind Let me take scene in your destruction
It has kept me walking with a knife
That painful mess you call your loving
Has wind up being your sick cry (Repeat x4)
Take that knife out of my back
Take that knife out of my back [Chorus: x2]
