Rhythm Divine

The Hitters

Feel the rhythmFrom the coast of Ipanema
To the island of Capri
All the way to Guadaloupe
I will follow you wherever you may beFrom the moment I first saw you
Knew my heart could not be free
Have to hold you in my arms now
There can never be another for meAll I need is the rhythm divine
Who lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, yeah, say you'll be mineCan you feel the heat of passion?
Can you taste our love's sweet wine?
Join the dance and let it happen
Put tomorrow's cares right out of your mindAs the music draws you closer
And you fall under my spell
I will catch you in my arms now
Where the night will take us, no one can tellAll I need is the rhythm divine
Lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, yeah, say you'll be mineGonna have this feeling forever
Gonna live this moment together
Nothing else matters just you and the night
Follow on the wings of desire
Now the rhythm's taking you higher
No one can stop us from havin' it all
You are my heart, you are my soulAll I need is the rhythm divine
Lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, yeah, say you'll be mineAll I need is the rhythm divine
Lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, yeah, say you'll be mineCan you feel the rhythm
Can you feel the rhythm
Can you feel the rhythm
Burning, burningCan you feel the rhythm
Can you feel the rhythm
Can you feel the rhythm
Burning, burningCan you feel the rhythm
Can you feel the rhythm
Can you feel the rhythm

Burning, burningCan you feel the rhythm
Can you feel the rhythm
Can you feel the rhythm
Burning, burning
