

We Got a Love (feat. Lennon & Maisy)

Nashville Cast

The darkest cloud was put in fade
Everything was the way
And I hold you close
Till the the sun comes out
Baby, can you see it now

We got a love, oh oh
We got a hope breaking in spring
Patience as a porch string, love
Oh oh, me and you

We got a love, oh oh
Will rest free as a black bird
True as the good word, love
Oh oh, me and you

So what do you need that you don't have?
What have you lost you can't get back?
What if I promise it'll be alright?
It'll be alright

'Cause we got a love, oh oh
We got a candy apple red
We steady as a heartbeat
Oh oh, me and you
