

Proof (Live at Red Rocks)

Paramore

It's really hard
I can't cry in your arms
Cause you're not here
It's not your fault
And if it was I wouldn't care My heart is bigger
Than the distance
In between us
I know it 'cause I
Feel it beating So strong it'll knock you down
So strong, so strong Over here
I can't count the miles away
From where I wanna be
I bet your skin is warm
And that you're smiling Yeah, that's what I always
Loved the most about you
You're so strong
Come and knock me down, hey Baby, if I'm half the man I say I am
(Whoa-oh-oh)
If I'm a woman with no fear
Just like I claim I am
(Whoa-oh-oh)
Then I believe in what you say
There's nothing left for you to do
The only proof that I need is you I'll get in my car
Drive it faster than I
Ever did before
Head out west until I finally
Reach the shore And then I'll swim out
To wherever you are
And we'll ride the undercurrent
Down to the floor Making friends with all
The unfamiliar creatures
And pushing back
All the unnecessary pressure
Come up for air just so you
Know we won't drown You're so strong
The world can't keep us down, hey! Baby, if I'm half the man I say I am
(Whoa-oh-oh)
If I'm a woman with no fear

Just like I claim I am
(Whoa-oh-oh)
Then I believe in what you say
There's nothing left for you to do
The only proof that I need is you Yeah, ooh, yeah, hey
Yeah, ooh, yeah, hey So do you love me?
(Yeah)
All you gotta do is say yes
Now do you love me?
(Yeah, hey)
And I won't ever second guess Now do you love me?
(Yeah)
All you gotta do is say yes
Now do you love me?
(Yeah, hey)
Then you already proved it Yeah, yeah, hey Baby, if I'm half the man I say I am
(Whoa-oh-oh)
If I'm a woman with no fear
Just like I claim I am
(Whoa-oh-oh)
Then I believe in what you say
There's nothing left for you to do
The only proof that I need is... Baby, if I'm half the man I say I am
(Whoa-oh-oh)
If I'm a woman with no fear
Just like I claim I am
(Whoa-oh-oh)
Then I believe in what you say
There's nothing left for you to do
The only proof that I need is you
